OFFICE
MANAGER

Janice

I never intended to be famous. I just started out to make a little money. You know, like a small, one girl business. Then all sorts of people started wanting more of me. I honed my business chops with all my clothes on and when it took time to expand, the clothes came off. I like to come across as the sweet and innocent girl next door, but I'm really just the sexy bitch that loves to get down and dirty on your cock, and I do it with delight.

DON'T HOLD BACK

Sidney ran her business like a tight ship. It was her life, her everything. All to the point that almost every other part of her life took second fiddle. Then the inevitable happened – sex.

Sidney runs a high-end limousine service in Beverly Hills off Sunset Blvd. Her clientele is the cream of the crop. Celebrities, athletes, politicians and the like. Her drivers are very well paid and she checks each one personally. She wears black pencil skirts with stilettos, form fitting white blouses, and keeps her hair in a tight bun on the top of her head. Sidney runs her business like the Swiss government: schedule, schedule, schedule. She cannot afford to have a limo late for anyone, anytime.

But Sidney has her secrets. Turns out she's a fine lady with naughty guilty pleasures. It's been a year since her husband left her after twenty years of wedded non-bliss. They owned the business together, but he spent most of his time with two "models." But now Sidney can't seem to stop thinking about being tangled up in a man's strong arms with his cock head

firmly planted between her red glossy lips.

This man's package is bulging out of his pants. Licking her pouty lips, she can taste the cherry flavor, but her mind drifts to wondering how his manhood would fit inside her hand. Would it take two hands? Would it fit in her mouth or would it be too big? What about in her sweet spot? Would he know how to find it, and when he did, what then? Her thighs quivered at the thought. Sidney finished filing papers when she dropped a folder on the floor. As she bent over to pick it up, she could feel his eyes watching the curves of her ample cheeks and thighs pressing against her tight pencil skirt.

Collecting the folder, she straightened the papers and dropped it onto her desk. While heading to turn the lights out, she noticed that a stretch limo was

left turned on in a bay in the garage. Sidney walked over to the car, admiring the sleek black finish, steel rims, and long lines. No one was around so Sidney slid into the driver's seat. Her fingers traced the dash and the steering wheel. The black leather was cool to her touch and felt like a man's tight behind.

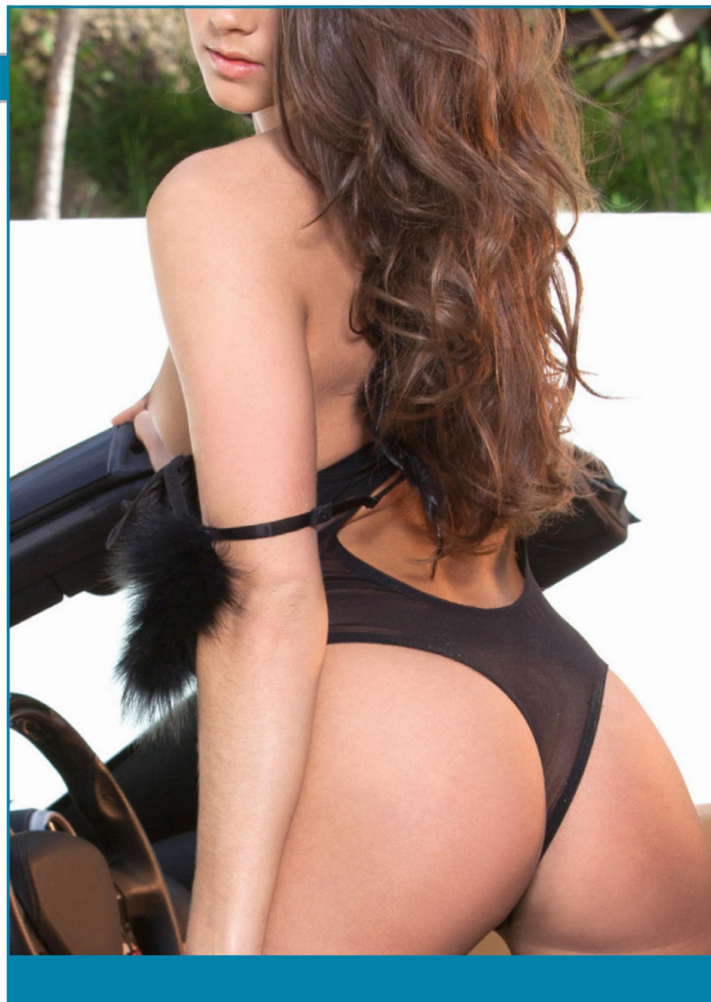

The keys were still in the ignition. Company policy so they never left the garage. Sidney started the car, stepped on the pedal and the engine revved. Over the din of the motor she heard Donald's deep manly voice.

"Let it run, Sidney." he said.

She looked out the limo door and over her shoulder to make out his broad shoulders, huge biceps and forearms. She stepped out of the car and closed the door behind her. Donald moved closer.

Sidney was nibbling her lip trying to resist the urge to unzip his tight jeans and see what's underneath. Donald moved closer to Sidney. His eyes looked intense as he smiled. Sidney tried to maintain composure while suddenly realizing her top button must have popped off while she was getting out of the car. Sidney blushed and tried looking away, but his gaze was so intense, she could feel her heart racing and her sweet spot was getting wet.

She couldn't hold herself back any longer. She reached for Donald's jeans and started on his zipper. Donald placed his hands on her hips as if he might push her back and resist, but suddenly he pushed Sidney against the hard steel of the limo. One hand

held her head while the other hand pressed her body against his. He passionately kissed her. It'd been so long since she had been kissed so deeply.

Donald reached to unbutton her blouse, exposing the lacy bra underneath her blouse. Sidney worked to get his jeans unzipped and laid her hands on his rigid cock. She became wetter down there just holding his hard cock between her hands. Sidney kneeled beside the car. She slowly pressed

his cock head to her lips and then started taking his cock deep into her mouth.

His cock was wet with her saliva. Donald kissed her neck and suckled her nipples. Sidney arched her back while her nipples hardened. Donald grinned as he squeezed her firm breasts. Sidney moaned sounds she hadn't remember making in years. She felt her pussy aching to feel him inside her.

Donald pulled Sidney to the hood of the car. He reached behind her and unbuttoned her skirt and pulled the zipper down. Then he lifted her skirt and smiled at the black lace thong Sidney wore to match her bra. Donald kissed her thighs and slid his tongue between her slit, tenderly stroking her while her juices drizzled onto his chin. He inserted one finger, then two.

Sidney felt how tight she was. She knew this would hurt and she couldn't wait. She turned around to suck Donald again. This time, taking his cock deep into her throat while he fucked her mouth. Her boobs bounced with each thrust. She tasted his precum and it excited her even more than before.

With the engine roaring beneath them, Donald twisted her around to face the hood. She bent over perfectly in her stilettos as she felt him push his cock inside her. Sidney shrieked in pleasure – and pain. Donald thrust himself deep inside her with long hard strokes. She held onto the edge of the hood while Donald fucked her tight pussy. Her boobs were bare pushing down against the hot hood. She could see the two of them fucking in the reflection in the front windshield and Sidney was turned on by the sight.

She flinched a little when he spanked her. Her cheeks were stinging, but each thrust of his cock melted away the pain. She felt his body tense as Donald told her to flip over. He then took down her skirt so that she was left wearing her stilettos with her bra undone. He slid her thong down her thighs and ankles. Donald knew she wanted a deep, hard fucking. Her moans and body attitude told him so. The heat of her body and the heat of the car engine were making them both sweat. Glistening drops fell onto the shiny metal of the vehicle.

Sidney wanted it bad and she knew he knew it, too. She didn't care how deep or hard. She wanted to feel his cock and she wanted to feel his cum. With Sidney leaning back against the hood, Donald licked her slit. He could feel her clit pulsating beneath his tongue. He now knew she was ready. Sidney felt him move his cock head between her pussy lips before he plunged inside her again. Sidney moaned. Finally!

Sidney raised her hands over his head and around

his back to pull him closer. He kept fucking her harder, deeper. His balls were smacking her butt cheeks and her back was warmed from the car engine. Suddenly he kissed Sidney again. She could taste herself on his tongue. She was wet and ready. Her nipples rubbed on Donald's chest while his hips pushed hard and dug deep into hers.

His arms were wrapped around her and she could feel his body tense up. With a few rapid, hard thrusts, Donald pushed his lengthy and rock hard cock into her as far as it would go. With half a dozed hot spurts, Donald's cock shot its tremendous load deep inside her. Sidney could feel his cum splatter against her sugar walls. Her juices mixed with his and slowly they dripped onto the hood of the shiny limousine.

She nibbled on her lip as she came back to reality. Suddenly, Donald was knocking on the driver's side window.

"Hello? Sidney?" he queried. "You've been sitting in there for a while. Are you okay?"

Sidney blinked as she let go of the steering wheel and stepped out of the limo. She looked down at his crotch and saw his package was bulging in his jeans. She looked up at him and their eyes met. She turned to close the door and noticed a little wet spot lingering on the driver's seat.

Leaning back on the door, she adjusts her blouse and skirt and says to him: "Yeah, Donald. Everything's just fine. What are you still doing here?"

MY BOSS
IS MY BITCH

I work in mid-town Manhattan and I love my job – hate my boss. So rather than let him get the better of me, I've made him my bitch by flashing my perfect boobs at him, sucking his bossy cock and training him with my pussy. Now if I want a three hour lunch break, no problem. Go home early, no problem. A big raise, I'm working on that now.

CUSTOMER
SERVICING

Nikki & Karli

We have always been gregarious and talky girls and after college decided to put those talents to work as Customer Service Representatives. We get to answer questions, troubleshoot problems, and occasionally refuse a date with a caller. But today, we've been working late and the other reps have gone home. Now we can service each other. We'd been secretly passing notes during the day, so now we know what each other wants. Okay, do we get to choose who's first?

COME CLOSER, COME CLOSER

There's a hot MILF living above me in our apartment complex. She's married, but her old man is always working. As for me, I'm married too, and my old lady is always with her girlfriends shopping. Well, you know the inevitable. We hooked up. But getting time together is always tough, until one day, she was looking over her balcony and noticed an area in the back of the building that's between the fence and a small grouping of high shrubs and bushes. There was a clear area she thought would be a great spot for us to 'hang out' away from prying eyes. We just can't do it in our respective apartments because of our spouses and getting away to a hotel is just impossible right now.

We decided the best time is around 10 on Tuesday mornings. The spouses are away as are most all of the neighbors. I got there first and waited in the shade. She came forward pushing her way through the vegetation. She was wearing a thin blue top, tight little shorts and shoulder length hair. This MILF pussy was mine this morning. I could see her dark brown nipples bulging through her tank top, her stomach was sucked in as she tried to accentuate her assets. We stood in the small clearing, both horny, inexperienced at cheating but allowing our bod-

ies to do most of the talking. I asked her to come nearer. We stood there smiling at one another for a very long time, making a few stupid comments, trying to hide the fact we wanted to fuck immediately.

As she edged nearer, I pulled her closer to me. She pressed her crotch against mine and felt my enormous cock throbbing inside my pants. I kissed her chin, she passively watched my lips as they caressed her entire face. I gave her soft bites on her neck, while I rummaged my hands down her pants onto her round ass. She looked into my eyes and I smiled. I squeezed her butt cheeks to signal it was on, and she acknowledged by squeezing my cock. From there, we knew it was on.

I grabbed her by the hips, turned her around and pulled her ass onto my cock. My trousers and her pants were the obstruction between us, I wanted her so badly. She leaned forward and pushed out her ass, grinding ever so slowly, but hard onto my package. Her butt muscles were firm and moved in powerful circles around my erect cock. With both my hands I placed them on her waist and pulled her tighter against my cock. We dry humped for a few moments, saying nothing - only moaning with pleasure in low tones as to not allow anyone else to hear us.

But her moans became louder and louder as I continued making me wonder if she was cumming already? I asked her if she wanted more and without saying a word I saw her head nod. So I turned her around, pushed her against the fence opposite us, and pulled down her shorts. Her dripping wet pussy pushed towards my face. This was the first time she offered her pussy to eat, so I devoured it greedily. I sucked and licked and kissed and stroked that pussy with my tongue until her legs buckled as she came. She begged me to put myself inside her. Once it was in, we kissed hungrily like we were bent on devouring each other, while we pulled and yanked at each other's clothes.

We were both naked when she dropped down to the ground, whipped

my turgid dick out of her pussy and proceeded to give me a mean blow job. She moaned and slurped as she sucked, like she was about to choke on my dick or something. I had to ask her to take it easy, to be careful, but seconds later I was the one causing her to make more choking sounds as I pushed her head into my cock so she could take the entire thing into her mouth, deep-throat style.

She let me do as I wanted without uttering a single word of complaint. In fact, she seemed to enjoy my controlling the bj and getting her head and mouth to please me just how I wanted it. Her taking the length of my dick in her mouth can be classified as no mean feat. Eight inches long and pretty thick describes my rocket. And she managed to take all of it in her mouth like it was nothing.

After enjoying quite some time of cock sucking, I decided it was time to taste her pussy. She adjusted the clothes on the ground so she could lay on them and did. I kneeled in front of her lady sex and took all of her pussy, labia and all, in my mouth. I sucked the whole thing real hard for a few seconds and proceeded to flick my tongue in and out of her hole. As I dug deeper into the hole with my tongue, she wriggled her hips and screamed, pushed my head further in between her legs. A short while later, I wrenched her hands off my head, pinned them beneath her with one hand, used my other hand to spread her pussy lips and expose her clit.

I took it in my mouth and teased it tentatively at first with a few strokes of my tongue that got her moaning again and then proceeded to suck on it like a lollipop. Her grunts went a few decibels higher and she kept begging me to hurry up; like I was not going as fast as I humanly possibly could. She wanted my cock inside her again. But before I gave in, I would insert three fingers at a time inside her and apply hard pressure on her g-spot. She would grimace with delight but beg me to stop, the sensations were too intense for her. She kept begging me to fuck her until I finally did.

I positioned myself over her and plunged my rocket into her with long slow strokes, but this wasn't fast enough. She wanted to get fucked. I did

the best I could but somehow I felt I was not going to satisfy her. Her hips buckled and her body writhed but she didn't cum this way. I was surprised because she came easily earlier when I licked her. Finally, thankfully, I could feel my climax building. I warned her I was going to explode and asked her if she'll swallow my juice. She hesitated for a moment, pulled my head into her neck, pushed her full boobs into my chest, grabbed my buttocks with her small hands and panted into my ear to cum inside her.

Naturally this aroused me insatiably and before I could even make a decision, huge ropes of my wet spunk were being injected into her pussy. The warm sensation of my cum inside her made her moan with delight. She wiggled on the floor and began to furiously masturbate her clit. I sucked her tits and kissed her stomach as she did this until she came once, twice and three times. We lay there on the discarded clothes for a while, softly kissing like lovers until she said she had to go home and make dinner.

We cooled it for a while, I'm sure she was thinking about the correctness of it, as was I. But after month we hooked up again and again but never like this time. Never again did she beg me with such earnest to pump my cock into her pussy, but I knew her now and I knew it was what she wanted. What a beautiful woman she was.
